

**Partner Benefits and Responsibilities**

VetICE, LLC members are entitled to the following benefits:

- Reduced rate for “buying” courses,
- Guidance in course development,
- Online faculty development for use of Vet ICE, LLC courses and adult learning concepts,
- Be able to pilot test new courses during the pilot test period,
- A voice in VetICE, LLC administration, policies, and procedures, and
- Free access to VetICE, LLC Learning Objects Repository, once adequate funding is obtained.

To participate fully in VetICE, the members have the following responsibilities:

1. **Identify a contact person.** Each institution will have a single point of contact. Ideally this will be the dean, associate dean, or other appropriate administrative leader.
2. **Participate in evaluations.** Members agree to cooperate with, and participate in, evaluative efforts.
3. **Disseminate VetICE courses.** Members will inform their students of the availability of Vet ICE courses.

It is the intention of these members that:

- Cancellation of any one party does not negate the Agreement on behalf of the remaining parties.
- An evaluation of this Agreement shall take place annually.
